

**Employment Opportunities – Senior Consultant & Associate Consultant
Millier Dickinson Blais Inc.**

Millier Dickinson Blais Inc. is Canada's largest specialist economic development consulting firm with offices in Toronto, Hamilton and Harrowsmith, Ontario. Established in 2007, our team has grown to a dozen professionals who work with public and private sector clients from across Canada to establish strategic vision and action plans for economic and business development opportunities, tourism development, sustainable development, workforce development and a range of related issues. For full details, see our website at www.millierdickinsonblais.com.

Our primary areas of business service include:

- Core Economic Development Services
- Community Development
- Business Development
- International Development
- Education, Outreach and Training.

Millier Dickinson Blais has a strong track record of success and a growing list of clients. To help meet the increasing demand for our company's services, we are looking to add two positions to our team.

The successful candidate may choose to work from any of the firm's offices. These positions offer the opportunity to build a career with a successful and rapidly expanding company, with opportunities for promotion and professional development. Come grow with us!

Interested candidates should submit a detailed résumé with a full covering letter outlining their interest in the relevant position to: Ms. Pat Villebrun, Millier Dickinson Blais Inc., 4930 County Road 38, P.O. Box 405, Harrowsmith, ON K0H 1V0, or by email at pvillebrun@millierdickinsonblais.com. **Application deadline for these positions: September 8th, 2010.**

Senior Consultant

A highly skilled economic developer and outstanding communicator, the individual filling this senior role will have at least 8-10 years experience in the profession and a solid academic background in a relevant field that will contribute to the growth and reputation of the firm. In this role, she or he will lead and manage consulting projects, deal directly with clients and partners and prepare project proposals. The

successful candidate will possess an excellent work ethic, strong writing skills and the ability to both work independently and supervise staff on projects across the country. Travel will be required.

Millier Dickinson Blais is interested in hearing from candidates who have experience in a wide range of strategic planning and development fields, including economic development or tourism or workforce development.

The successful candidate will have a valid driver's license and vehicle and be familiar with a Microsoft Office environment. Bilingualism and EcD. Designation would be considered assets. This position has a salary range of \$70,000 to \$90,000 plus a staff benefits and bonus program.

Associate Consultant

We are seeking a candidate with a degree in economic development, rural/urban planning, geography, international development or equivalent. The individual should possess a solid understanding of regional economic analysis and strategic planning and have a demonstrated track record in a client-focused, dead-line driven work environment. Excellent research, organizational, analytical, communication and report writing skills are considered essential.

The successful candidate will have a valid driver's license and vehicle and be familiar with a Microsoft Office environment. Bilingualism would be considered assets. This position has a salary range of \$35,000 to \$45,000 plus a staff benefits and bonus program.
