

CANDO 17th Annual National Conference & AGM “Embracing Change”

We are pleased to announce CANDO's 17th Annual National Conference & AGM “Embracing Change” to be held at the Sheraton on the Falls Hotel & Conference Centre in Niagara Falls, Ontario from September 27-30, 2010. This year's conference will be hosted by the Six Nations of the Grand River.

CANDO (Council for the Advancement of Native Economic Development Officers) is the only national organization that focuses uniquely on the education and professional development of Economic Development Officers (EDOs) working in Aboriginal communities or organizations. Our conference attracts delegates from across Canada who exemplify “best practices” in the field of Aboriginal economic development. Delegates include EDOs from First Nations, Inuit and Métis communities, Aboriginal leaders, students/youth, entrepreneurs, representatives from corporate Canada, governments, and post secondary institutions.

The CANDO conference is an excellent opportunity to learn more about Aboriginal community economic development and speak with the people directly involved in improving the economic viability of Canada's Aboriginal communities. To learn more about the upcoming conference or to register, please visit our web site at www.edo.ca/conference/2010, e-mail skonoval@edo.ca or call us at 1-800-463-9300 or (780) 990-0303.
