

Organization's Name	First Nations National Building Officers Association (FNNBOA)
Vision	<p>The FNNBOA will represent people in First Nation communities who provide residential, commercial and institutional construction and renovation technical services.</p> <p>The Association has wide ranging objectives in the First Nations building sector, but is primarily a professional association mandated to represent the best interests of members in the broad area of occupational development.</p>
Mission	<p>The primary objectives of the FNNBOA are as follows:</p> <ol style="list-style-type: none"> 1. Represent individuals working as building officers in First Nation/Aboriginal communities 2. Establish national occupational standards to ensure minimum core competencies 3. Establish mandatory inspection of new and existing homes 4. Ensure programs and policies for capacity development 5. Advocate housing policies in addition to better building and renovation practices that will ultimately improve housing conditions in First Nation communities
Mandate	<p>First Nations National Building Officers Association (FNNBOA) is a national non-profit organization. It represents those individuals who provide residential, commercial and institutional construction and renovation technical services (i.e., plans review, inspections, recommending repairs, technical advocacy and advisory role) for buildings located in First Nation/Aboriginal communities. There are approximately 250 to 300 employed in this sector.</p>

Key Activities/ Current Projects	<p>FNNBOA current projects include:</p> <ul style="list-style-type: none"> • Establish an apprenticeship program • Establish a mentorship program • Certification of Building Officers • Establish provincial chapters • Establishment of accreditation of courses for building officers • Implementation of training/education courses geared for FN building officers • Membership drive and corporate sponsorship
