

## Stanley Barnaby

---

**DIRECTOR-NEW BRUNSWICK & PEI**

My name is Stanley Barnaby and I am a proud Mi'gmaq from the Listuguj First Nation. I currently reside in Wolastoquey Territory where I work as the Acting CEO for the Joint Economic Development Initiative. Prior to my role as Acting CEO, I was the Finance and Operations Manager 3 years and the Senior Project Manager for 1 year.

I attended the University of New Brunswick (UNB) in Fredericton for my bachelor's in business administration. From there, I received my Technological Aboriginal Economic Developer (TAED) certification through Cando, and I received my First Nation Business Administration certificate from UNB through the Mi'kmaq-Maliseet Institute (MMI). Throughout my time at JEDI, I have continued to grow my skills through completing the Management Development Program Certificate and Master's Certificate in Project Management from the College of Extended Learning at UNB. I also received my Professional Aboriginal Economic Development (PAED) certification through CANDO in 2019.

I have been involved with CANDO since 2015 when I was a part of the CANDO Economic Development Youth Summit Advisory Committee. The committee seen the summit come to life in 2018 and it has been a huge success since the beginning. In 2018, I was elected the NB & PEI Representative for the CANDO Board where I played a key role in bringing CANDO's National Conference to Fredericton where I also sat on the planning committee.

I have a strong passion for Indigenous Economic Development and Workforce Development, and I would appreciate your continued support as the New Brunswick and PEI representative on the CANDO Board of Directors.
